FROM THE PULPIT COMMITTEE

Your Pulpit Committee is pleased to announce the appointment of Forest Cornwell as interim pastor for the West Side Church of God. This appointment was recommended by the Pulpit Committee and ratified by the Church Council and Christian Education Board.

Approximately ten months back, Forest stepped forward and has been filling the position of interim pastor while also maintaining youth pastor duties. Forest and Tammy have worked hard and done well in filling this dual roll. We can't expect them to continue this challenge. We are looking for ways to relieve them of some of these duties.

We appreciate Forest and Tammy accepting this position and plan to have an installation program on May 11th.

I am very excited about becoming the interim pastor here at West Side Church of God. It is an honor and also very humbling. I look forward to the new challenges of being your pastor will bring, as well as the exciting things that will happen at West Side. My prayer is that I honor God and serve you with my efforts. Working together we will thrive as a community which will help people find healing through the transforming power of Jesus Christ. Thank you for the opportunity.
